Brief Report:

The child grew up without his father. The grandmother has 2 children; Marie Shaina is the mother of Alexis Marie and Shiela Anne is working and she is the one who pays all the expenses in their home. Now they are renting a house P2500 monthly. So the grandmother is the one who looks after Alexis. The mother works as a housemaid earning P3,000 monthly. But the mother only gives a small amount to her child and sometimes it's not every month. The sister of the grandmother helps with some of their daily needs.
