Brief Report:

Lea Mea is the sister of John Mike Lubay, who was once our previous applicant last year. Oikos accepted the child, but the father did not like the responsibilities especially going to church and doing school duty. But through the feedback of their neighbour and how they see the scholar kids, the father felt sorry for refusing the scholarship. So this year the father decided to apply his second child. The father is working as a Mami vendor and has only one hand. But his disability is not a hindrance to support the needs of his family, both parents are helping in their small business and can earn P7800.
