### **Brief Report:**

Akhira Kheimie is already 4 years old and the only child, their parents are separated for 2 years, because they be together at a young age. She's living with her father and grandparents; the father works only on call as a dishwasher and earned 527.00 per day if he has a work. The grandmother supports them for their needs. The grandmother cost of income she has a small business of food curt of merenda and earned 400.00 per day and is this income she also needs to pay the bills water bill 400 per month and the electric bill 1. 000.oo per month. But she's getting older and she's thinking future of her grand-daughter that's why when she heard about Oikos she's hoping that Oikos can help them.
