Brief Report:

They stay near the church with their pastor. The husband works as a construction worker but on call only and the mother take care of the granddaughter of the Pastor in Cavite. The mother goes home every Saturday and Sunday. They stay for almost 1 year and their house is free. They only have a portion of room for them to sleep, they don't have any kitchen tools or even for cooking because the food is provided by the pastor. The only thing that they to pay is the water that cost 200 monthly.
