DSWD-ECCD Assessment and School Visit

Oikos Helping Hand Learning Center (OHHLC) recently welcomed representatives from the Department of Social Welfare and Development – Early Childhood Care and Development (DSWD-ECCD), together with the Local Government Unit (LGU) ECCD Focal Person, for an assessment and school visit.

The Early Childhood Care and Development (ECCD) Program is a national initiative that promotes the holistic growth and development of children from birth to four years old. Through DSWD and local government partners, ECCD helps ensure that early childhood learning centers provide quality education, proper care, nutrition, health support, and a safe environment that nurtures every child's physical, emotional, social, and cognitive development.

As a nonprofit preschool, Oikos Helping Hand Learning Center is committed to providing quality, values-based early childhood education that meets ECCD standards. The visit allowed the assessment team to observe the school's learning environment, teaching practices, facilities, and overall program implementation while providing valuable guidance for continuous improvement.

We are grateful to the DSWD-ECCD Assessment Team and our LGU partners for their encouragement and support. OHHLC remains dedicated to delivering holistic, Christ-centered education that equips every child with a strong foundation for lifelong learning and positive character development.

Bible Study and Youth Fellowship Outreach

"Therefore, go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything I have commanded you. And surely I am with you always, to the very end of the age." — Matthew 28:19–20

In obedience to Christ's Great Commission, our outreach ministry continues to share God's Word through Bible Study and Youth Fellowship at Agape Land and Ericka Louise Village. These gatherings provide opportunities for children, youth, and families to grow in their faith, build meaningful relationships, and experience the love of Christ through fellowship, worship, and the study of His Word.

We pray that these outreach ministries will continue to transform lives, strengthen faith, and lead more people into a personal relationship with Jesus Christ. To God be all the glory!

Water Baptism in Bulacan

We praise God for a joyful and meaningful Water Baptism held in Bulacan, where our members publicly declared their faith in Jesus Christ through baptism.

This special occasion marked a significant milestone in their spiritual journey as they committed their lives to following Christ. Family members, church leaders, and fellow believers gathered to celebrate and encourage the newly baptized as they took this important step of obedience and faith.

We thank God for His continued work in transforming lives and pray that these new believers will continue to grow in their relationship with Him, becoming faithful disciples who will share His love with others. May this testimony inspire more people to experience the hope and new life found in Christ.
